

Enjoy the benefits of an exciting and rewarding career with **The Vollrath Company, L.L.C.** an ISO 9001:2000 certified manufacturer of stainless, aluminum and plastic products for the food service industry, OEM and international markets. We are dedicated to growth, customer satisfaction and the pursuit of product excellence

Our Marketing Department is searching for an employee to manage several product categories. Because the industry recognizes Vollrath as a market leader and innovator, a key responsibility for this individual is to generate new product ideas and lead new product development projects. The individual we are seeking will also be responsible for product line planning, implementing marketing plans, gathering market, competitive and customer insight, monitoring pricing and participating in all aspects of product management.

The ideal candidate will have exceptional communication and organizational skills with the ability to interact with all levels of management and lead cross-functional teams. Additional qualifications include a Bachelor's degree in Marketing and strong PC skills. An MBA is desirable. Knowledge of marketing research, media planning and sales techniques combined with creative problem solving and strong negotiation skills are a plus. Foodservice industry experience is preferred, but not mandatory.

We offer a competitive salary program with a comprehensive benefit package. For consideration, please forward resume to: The Vollrath Company, L.L.C., 1236 N. 18th Street, Sheboygan, WI 53082. Fax: (920) 459-5448. E-mail: cwisse@vollrathco.com. Equal Opportunity Employer.
