

District Sales Manager – Central Texas

The Vollrath Company, L.L.C. is an ISO 9001:2000 certified manufacturer of stainless, aluminum and plastic products for the food service industry, OEM and international markets. We are dedicated to growth, customer satisfaction and the pursuit of product excellence. We are currently looking for a District Sales Manager.

The successful candidate will market food equipment and supplies throughout central Texas and portions of western Texas. This position involves working with consultants, architects, foodservice operators and equipment dealers. Approximately 60% overnight travel is required. We require a minimum of five years experience in the sale of foodservice equipment and supplies, or experience in foodservice operations. A college degree is desirable.

Vollrath offers the individual filling this position a salary with an attractive sales incentive program, bonus, comprehensive benefit package and a company car.
